

# HOTEL BRIXEN\*\*\*

Havlíčkův Brod can be proud of its geographical location near the center of the Czech Republic. And the Brixen hotel, in a quiet residential area of the city, is a stone's throw from the imaginary "center of Europe" of Cimrman on the Sázava embankment.

*Sviť, měsíčku, polehoučku skrz ten hustý mrak,  
jakpak se ti Brixen líbí? - Neškared' se tak.*

Karel Havlíček Borovský

Hotel Brixen \*\*\* offers cosy, clean and modern rooms with their own bathroom facilities.
